ADDRESS ALL COMMUNICATIONS TO THE INSTITUTE

Miss Alice M. Boyd,
Madison, S. D.,

My dear Miss Boyd:-

The box you sent on April 1st 1920 reached us on Tuesday of last week, that is on July 13th. I cannot tell where the delay occurred but as we have it we will be satisfied. Please thank the ladies for their kindness and tell them we appreciate the help very much indeed.

Our work is going on and is very encouraging. There has been only one death in the hospital in two and a half years. We feel that we are helping our people.

Again thanking you for your kindness and help I am

Faithfully yours in His Service
