RE: 1992 Stewardship Conference

Brothers and Sisters in Christ,

* Over the past couple of years several of you have expressed an interest and need for a "no-nonsense, nuts and bolts stewardship conference." I am pleased to announce that we have such a stewardship conference planned for July 10th and 11th of 1992. The conference is scheduled to be held at the Trinity Church in Pierre. The conference will begin with dinner on Friday evening the 10th at 6:00 p.m. and will conclude on Saturday the 11th at 3:00 p.m.

Bishop Bill Burrill of the Diocese of Rochester, a noted stewardship conference leader, will be our speaker and conference leader. To date Bishop Burrill has held stewardship conferences in 35 dioceses in the United States and is known as perhaps the most exciting stewardship resource person in the Episcopal Church.

I am asking you to put this on your calendars. This is my purpose in informing you of the conference at this time. While I know this falls at the beginning of summer, it is important that you attend given the fact that most stewardship drives kick off in the fall. Please plan to attend, as well as having your senior warden and stewardship officer or someone who heads stewardship in your congregation attend.

More details will be forthcoming.

In Christ,

Craig B. Anderson
