Christian Brothers of the Midwest

# Greetings from the Provincial, Brother Francis Carr, FSC

**T**he Rule of the Brothers of the Christian Schools states, “*the Brother Superior and his Councilors symbolize the unity of the Institute and work to ensure the fidelity of the entire body of the Institute to the faith of the Church, to the directives of the Holy See, and to the living charism of the Founder.*” [Rule, 116]

The Superior General of the Christian Brothers, Brother Alvaro Rodríguez, FSC, fulfilled this mandate of the Rule by visiting the Christian Brothers of the Midwest from February 9th through the 24th, 2005.

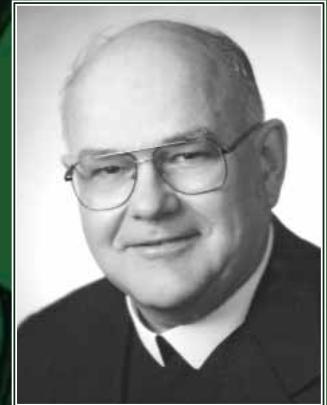

Brother Alvaro was a delightful, engaging, and attentive guest. He was very comfortable with the Brothers, our Partners, and the students. His remarks were always on target for whatever group he was addressing. On our part, we provided a wide variety of experiences for him and Brother Miguel Campos, one of the General Councilors who accompanied him during parts of the visit. He was given a “glimpse” of our vast Province. Time constraints did not allow him to get to every ministry, but he visited a sampling of almost every type of ministry in which we serve. He met children at the middle schools, young men and women who are leaders at the high schools and universities, administrators, faculty members, board members, development officers, and some Brothers and Partners who are graduates as well as current participants in Lasallian formation programs. He visited Christian Brothers Services in Romeoville, Illinois, to learn about our unique programs in service to the Dioceses and Religious Orders of the Catholic Church

in the United States. He attended the annual conference of the Lasallian Association of Miguel Schools. He met with the staff at Saint Mary's Press/Christian Brothers Publications, which is our Province's religious education publishing company in Winona, Minnesota. Our Provincial Team had some time with Brothers Alvaro and Miguel, as did the Mission and Ministry Council and the Provincial Council. He had a luncheon meeting with several women in leadership positions in

our Lasallian schools. He thoroughly enjoyed the artistic talents of bands, choirs and other performers who represented our schools so well.

And so, you say, “he must have been exhausted!” He may have been, but he didn’t show it. He was quite resilient. He was energized by being with young people. He thrives on engaging with committed Lasallians, whatever their vocation, and by learning the particular aspects of how American Lasallian schools in the Midwest Province operate.

Brother Alvaro Rodríguez, FSC, Superior General (center) meets with Brother Francis Carr, FSC, Provincial, and the Chicago area high school Presidents and Development Directors.

I am most grateful to so many people in the communities in which we stayed and the ministries we visited. I am especially grateful to those who coordinated activities and extended true Lasallian hospitality to our Superior General and those of us who accompanied him around the Province.

We have received a letter from Brother Superior General summarizing his visit, in which he writes, “We thank God for the extraordinary hospitality and for the vitality of the Mission that we experienced in all the sectors of the Province that we were able to visit last month.”

As Provincial, this tour with Brother Alvaro filled me with great pride in the talented and dedicated people who serve our students in our schools. Our Midwest Province is indeed offering a rich variety of opportunities that “ensure the fidelity of the Institute to the faith of the Church, to the directives of the Holy See, and to the living charism of the Founder.”

You, as a Partner in our Mission, can also be proud because you participate in this Mission in many very significant ways. Your prayers, your support ... both moral and financial ... give us the strength, the means and the courage to address needs that most likely would not be met without you.

# Brothers Inducted into Bishop Kelley High School Hall of Fame

## Tulsa, Oklahoma

The Brothers of the Christian Schools, as a group, and Brother David Poos, FSC, as an individual, were inducted into the Bishop Kelley High School 'Hall of Fame' on January 30, 2005.

On this occasion, many expressions of gratitude were voiced on behalf of the Christian Brothers for their unparalleled contribution to Bishop Kelley High School. The Most Reverend Edward J. Slattery, Bishop of Tulsa, told the ten Brothers present:

"We are here to thank God for giving you to us. It is an honor to have the Brothers here today in such great numbers. We owe an enormous debt of gratitude to the Christian Brothers."

The year was 1960 when seven Christian Brothers came to Tulsa, Oklahoma, to start this diocesan high school. Brother Alfred Marshall, FSC, was the school's first Director. The Brothers taught the boys and the Sisters of Divine Providence taught the girls. From these humble beginnings, Bishop Kelley has grown into a school of more than 900 students. Kelley has a stellar reputation for excellence in academics, Christian Service, athletics and community service.

Bishop Kelley High School made tremendous strides under the direction of Brother David Poos, FSC, who was its President from 1989 to 2002. While Brother David was at the helm the school made great progress, spiritually, financially and physically. Current President and Principal, Mr. Alan Weyland, said, "Brother David's most obvious legacy will be his transformation of the physical campus."

Brothers currently serving at Kelley are Brother Norman McCarthy, FSC, who teaches theology; Brother Richard Merkel, FSC, who teaches keyboarding and computer literacy as well as helping out with campus technology; and Brother Chris Baker, FSC, who teaches chemistry and earth science.

Mr. Oberste, a Kelley alumnus and currently vice-president said, "Touching hearts is what the Christian Brothers are all about. The 62 Christian Brothers who have served here have together provided 294 years of education to more than 7,500 graduates. Thanks for your time."

### Surprise Visitor

A surprise visitor covered by a blue veil was wheeled in at the Brothers' induction ceremony. Underneath the veil was a 150-year-old statue of the founder of the De La Salle Christian Brothers, St. John Baptist de La Salle.

The story goes that in November, 2004, Mrs. Connie Sullivan, Kelley's Christian Services Coordinator, and her husband discovered the statue in an eclectic antique shop while visiting in Dallas, Texas. Through research, it was discovered that in the late 1850's the Christian Brothers in France commissioned a sculptor by the name of Oliva to create this statue. About 400 were made and placed in the Brothers' schools. How the statue made its way to this Dallas storefront we may never know. We do know that Mr. Weyland and Mr. Oberste brought it from Dallas to Tulsa. It has "bumps and bruises" but it will be restored and placed at the Mary Queen of Peace Center in honor of the Christian Brothers.

Mr. Weyland said, "The statue will serve to remind us of not only the devotion of the Brothers to the Mission, but as a challenge to each one of us to ensure that the Lasallian Mission continues to burn brightly in the heart of Tulsa for many years to come."

Most Rev. Edward J. Slattery, Bishop of Tulsa and Bishop Kelley chaplain Father Josh Litwack (Class of '89) prepare to process into the chapel.

Brother David Poos, FSC Kelley High School President 1989-2002, accepts induction into the Hall of Fame as Father Matt Gerlach (Class of '88) joins in applause.

Christian Brothers present, from back row left, Brothers Chuck Gregor, Richard Merkel, Chris Baker, Larry Humphrey, Leonard Stoffel, David Poos; at front, Norman McCarthy, Frank Carr, Alfred Marshall and Patrick O'Brien, admire the new statue.

# Our Newest San Miguel School *Tulsa, Oklahoma*

*"The poor  
are always  
with you."*

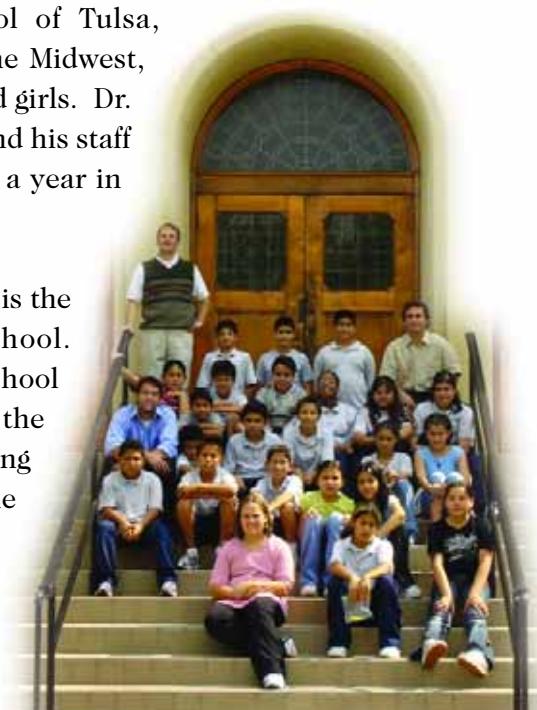

*(John:12/8)*

Tulsa, Oklahoma, is no exception. Many children live at or below the poverty level in this city. Many children are also under-performing at their local public school. These "at-risk" children suffer from discouragement which leads to "dropping-out." This in turn often leads to drugs, gangs and worse. These are the children for whom San Miguel School of Tulsa was founded.

On August 3, 2004, San Miguel School of Tulsa, sponsored by the Christian Brothers of the Midwest, opened its doors to 23 sixth grade boys and girls. Dr. Curt Adams is director of the school. He and his staff and numerous volunteers labored for over a year in the planning and preparation stage.

The basement of St. Francis Xavier Church is the rented-home for this San Miguel School. Volunteers from Bishop Kelley High School together with many other members of the Tulsa community labored all summer making the necessary renovations. Thanks to the Bishop of Tulsa, Most Reverend Edward J. Slattery, the priests of St. Francis Xavier

Parish, Father Jose Briones and Father Festus Maliwa, the students have access to support services such as Catholic Charities, a medical clinic, immigration services and bilingual classes.

The University of Tulsa donated used furniture, as well as access to their Speech and Hearing clinical services and the use of a basketball gym.

and High School as well as Bishop Kelley High School have given thousands of hours to this newest San Miguel School. Foundations and members of both the Catholic and Jewish communities have proven to be generous benefactors.

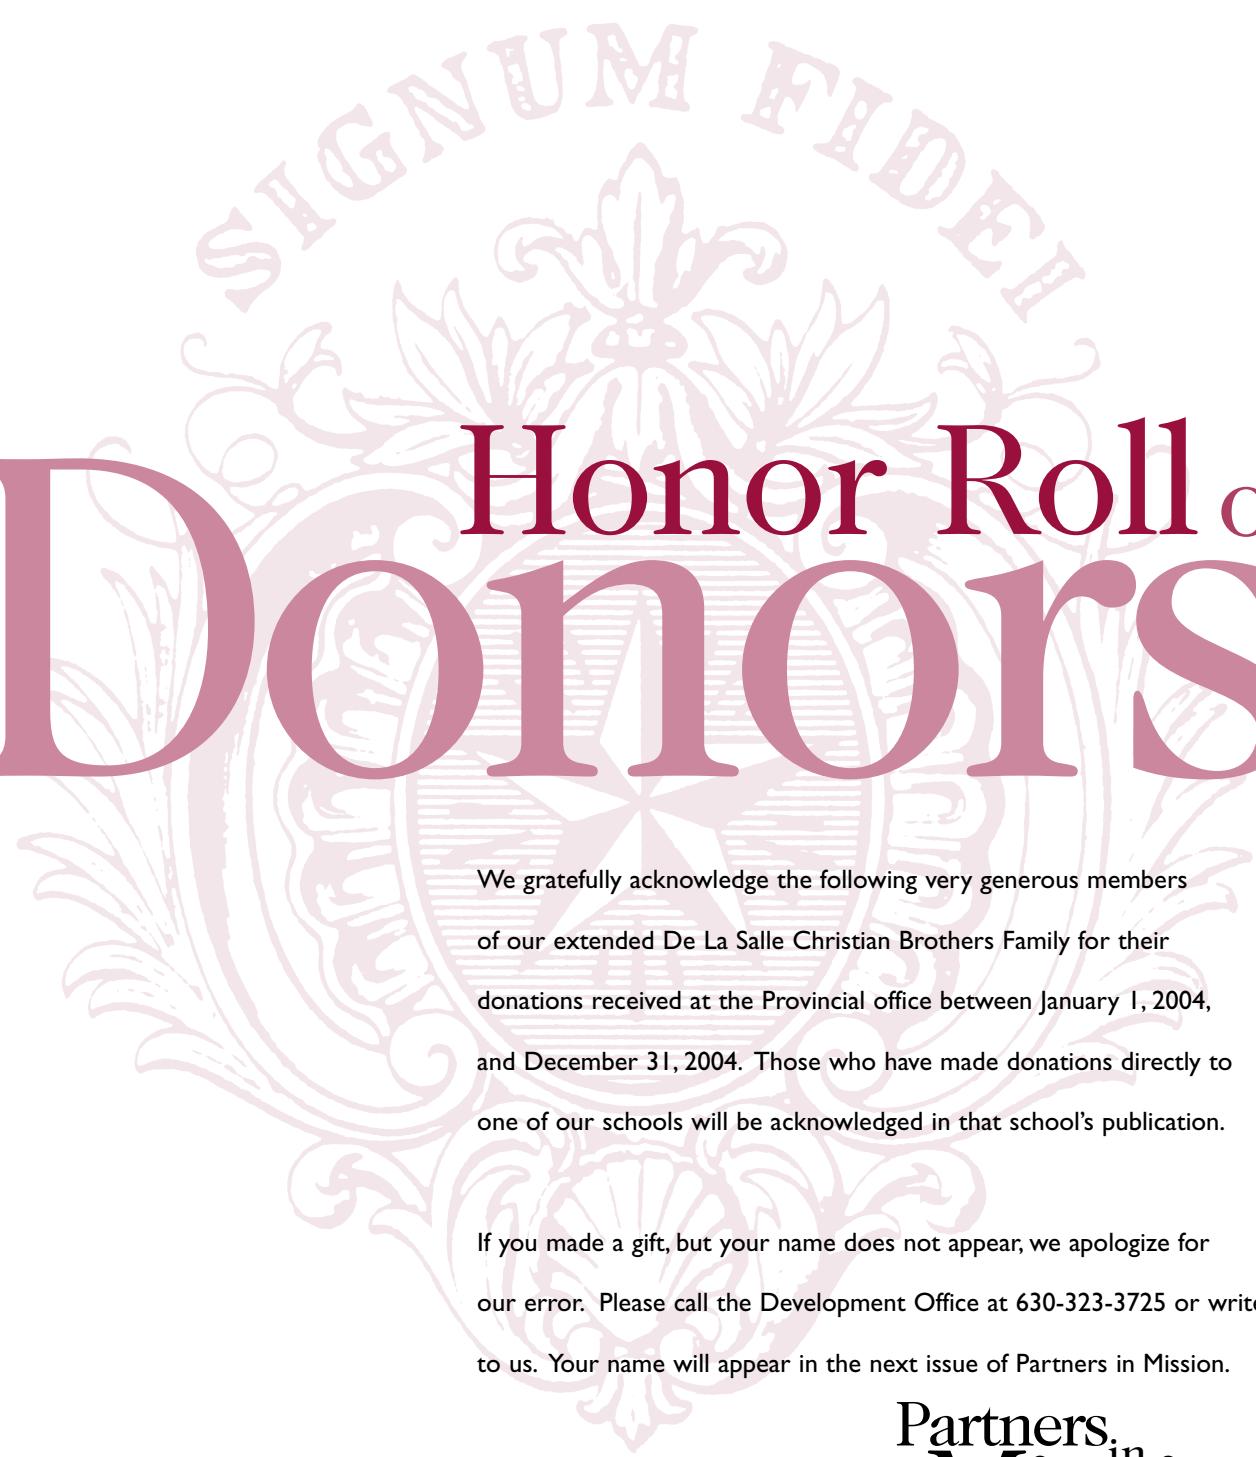

In just five months, the students have made great strides in standardized test scores. They have broadened their horizons through select field trips and enrichment classes. They have experienced the kind of one-on-one instruction that contributes not only to academic success but also to spiritual and social maturity. Their increasingly upbeat outlook on life and growing self-esteem give great hope that they are on their way to becoming well-adjusted and productive members of their community and leaders of the Church.

# Memorial Cards

*Memorial Gifts* are a meaningful way to *Express Sympathy on* the loss of a friend or loved one.

*Memorials* are also a dignified way to *Remember* a loved one, friend or neighbor on their birthday, anniversary, in time of sickness or grieving, as well as on Mother's Day, Father's Day, a special occasion or any day.

Both those giving and those receiving these memorial cards are remembered by the De La Salle Christian Brothers in their daily prayers, at Mass and in all their good works.

## Remember Special Loved Ones

May 30 is Memorial Day, May 8 is Mother's Day and June 19 is Father's Day. On these special days, we pause to remember how much we owe to these very special women and men in our lives. It is a good time to say "thank you" through our prayers, a phone call, a visit, a thoughtful remembrance. If they have gone home to God, a Christian Brothers' memorial card would be a most appropriate remembrance.

# Book

## *The Schools That Faith Built*

*Author: Brother Terence McLaughlin, FSC*

*The Schools That Faith Built* is a book that tells the story of the first San Miguel School in the Christian Brothers Midwest Province. It is also the story of how in September 2003, the San Miguel Gary Comer Campus (named after its lead benefactor) became the Christian Brothers “West Side Story” in Chicago.

The story of the San Miguel Schools in Chicago weaves together people and events that bring God’s presence to children most in need.

The spirit of St. John Baptist de La Salle, a rich spirit of faith, permeates the work of these schools. THE WORK IS BUILT ON FAITH!

But it is also the story of risk and adventure. Most of all, this is the story of people on a journey – a journey that takes them onto unmarked trails at times, and sometimes to places without paths.

These two Chicago San Miguel Schools are bringing a vision of sound education, community, compassion and transformation to two neighborhoods that have been begging for help and hoping to attract someone’s attention.

This book is the story of these two schools and how they are responding to the voices heard in the neighborhoods.

### About the author

Brother Terence McLaughlin, FSC, is a De La Salle Christian Brother, with over 64 years experience as a teacher and administrator. He began his teaching career in 1944 at ‘Old’ St. Patrick’s High School in Chicago. The school’s nearest neighbors were the derelicts of Chicago’s Skid Row. This experience together with his own high school education during the Depression era, intensified Brother Terence’s deep sense of compassion and special love for the poor.

Brother Terence currently resides on the campus of Christian Brothers University (CBU) in Memphis, Tennessee. He is an active member of the Board of Trustees of the University and a prolific writer.

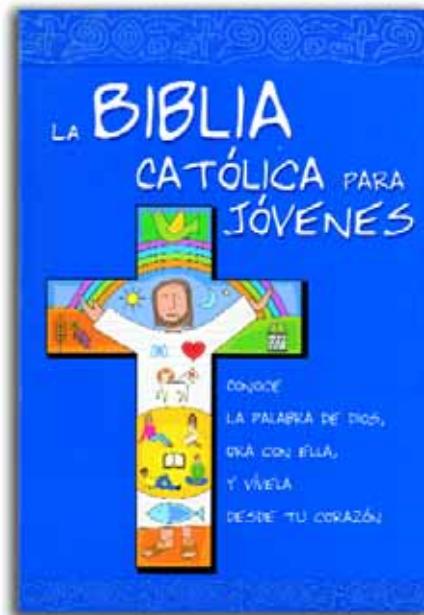

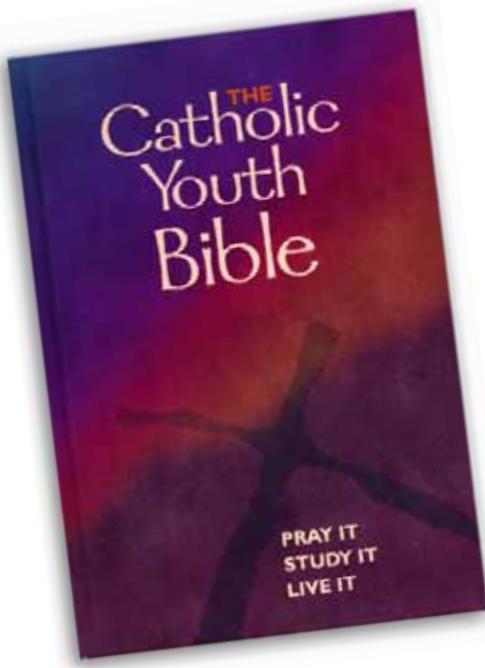

*The Schools that Faith Built* is a “must read.”

## La Biblica Catolica Para Jovenes

Saint Mary's Press donated the rights of The Catholic Youth Bible™ articles to Instituto Fe Y Vida, a Christian Brothers sponsored Hispanic ministry based in Stockton, California. Fe Y Vida then became the author of La Biblia Católica para Jóvenes. Fe Y Vida translated about 20% of the articles from The Catholic Youth Bible™ and wrote new articles for the rest. Saint Mary's Press helped to negotiate a contract between Instituto Fe Y Vida and Spanish publisher, Verbo Divino. Saint Mary's Press serves as a distributor of La Biblia Católica para Jóvenes in the United States. La Biblia Católica para Jóvenes is really a cousin of The Catholic Youth Bible™. It has similar features, but yet a distinct personality, with a unique content and approach directed to Latino jóvenes (youths) in all of the Americas.

To order copies of The Catholic Youth Bible (Spanish or English) click on the website [www.smp.org](http://www.smp.org) or call Saint Mary's Press @ 800-533-8095.

Brother Damian Steger, of Saint Mary's Press, remarked that it is our Christian Brother mission to bring the Good News to young people. He felt that it was therefore essential to bring Catholic youth and the Bible together in an engaging and meaningful way. The result is the publication of *The Catholic Youth Bible* especially prepared for young people.

*"The Catholic Youth Bible makes a significant contribution to the scriptural literacy on faith formation of Catholic adolescents and youth adults. I heartily encourage our young people to read and relish these Scriptures as the living Word of God."* His Eminence Cardinal Roger Mahony, Archbishop of Los Angeles

# Your Legacy will live through your Charitable Bequest!

## Is making a Charitable Bequest Right for you?

Consider John Bowman, a graduate of Christian Brothers St. George High School in Evanston, Illinois. John was a member of the distinguished Class of 1938. God blessed John and his wife, Irene, in many ways. John attributed his financial success to the wonderful educational and spiritual foundation that the Christian Brothers at St. George gave him. He wanted to give something back.

In their golden years, John and Irene moved to Sun City, Arizona. It was there that they set-up a trust naming several charities as their beneficiaries. John and Irene have recently passed to their heavenly reward. On March 28th, 2005, the Christian Brothers of the Midwest received an unrestricted Will Bequest from John and Irene's estate in the amount of \$483,000. Since this most generous gift was unrestricted it enables the Christian Brothers to apply these monies to the ministries where the need is greatest.

As John and Irene look down from Heaven, they are pleased, I am sure, to see their legacy carried on through their thoughtful Will Bequest.

Many people consider a Will Bequest the best way to make a donation to their favorite charity. The reason of course is that you can support the Mission of your chosen charity in the future without diminishing any of your assets today.

A Will Bequest lets you balance your Charitable goals with concerns that you may have about future living expenses, future medical costs and the needs of your loved ones. A Bequest allows you the flexibility to use your assets if you need them. But at the same time, you become an essential part of the giving community of your favorite charity by promising a gift in the future. In this way you truly become a "Partner" in the Mission because you enable the charity to plan wisely for the future stability of the Mission.

To make a Bequest you need either a current Will or you can add a codicil to an existing Will. Your gift can be made in a specific amount or as a percentage of your estate, or as a remainder interest.

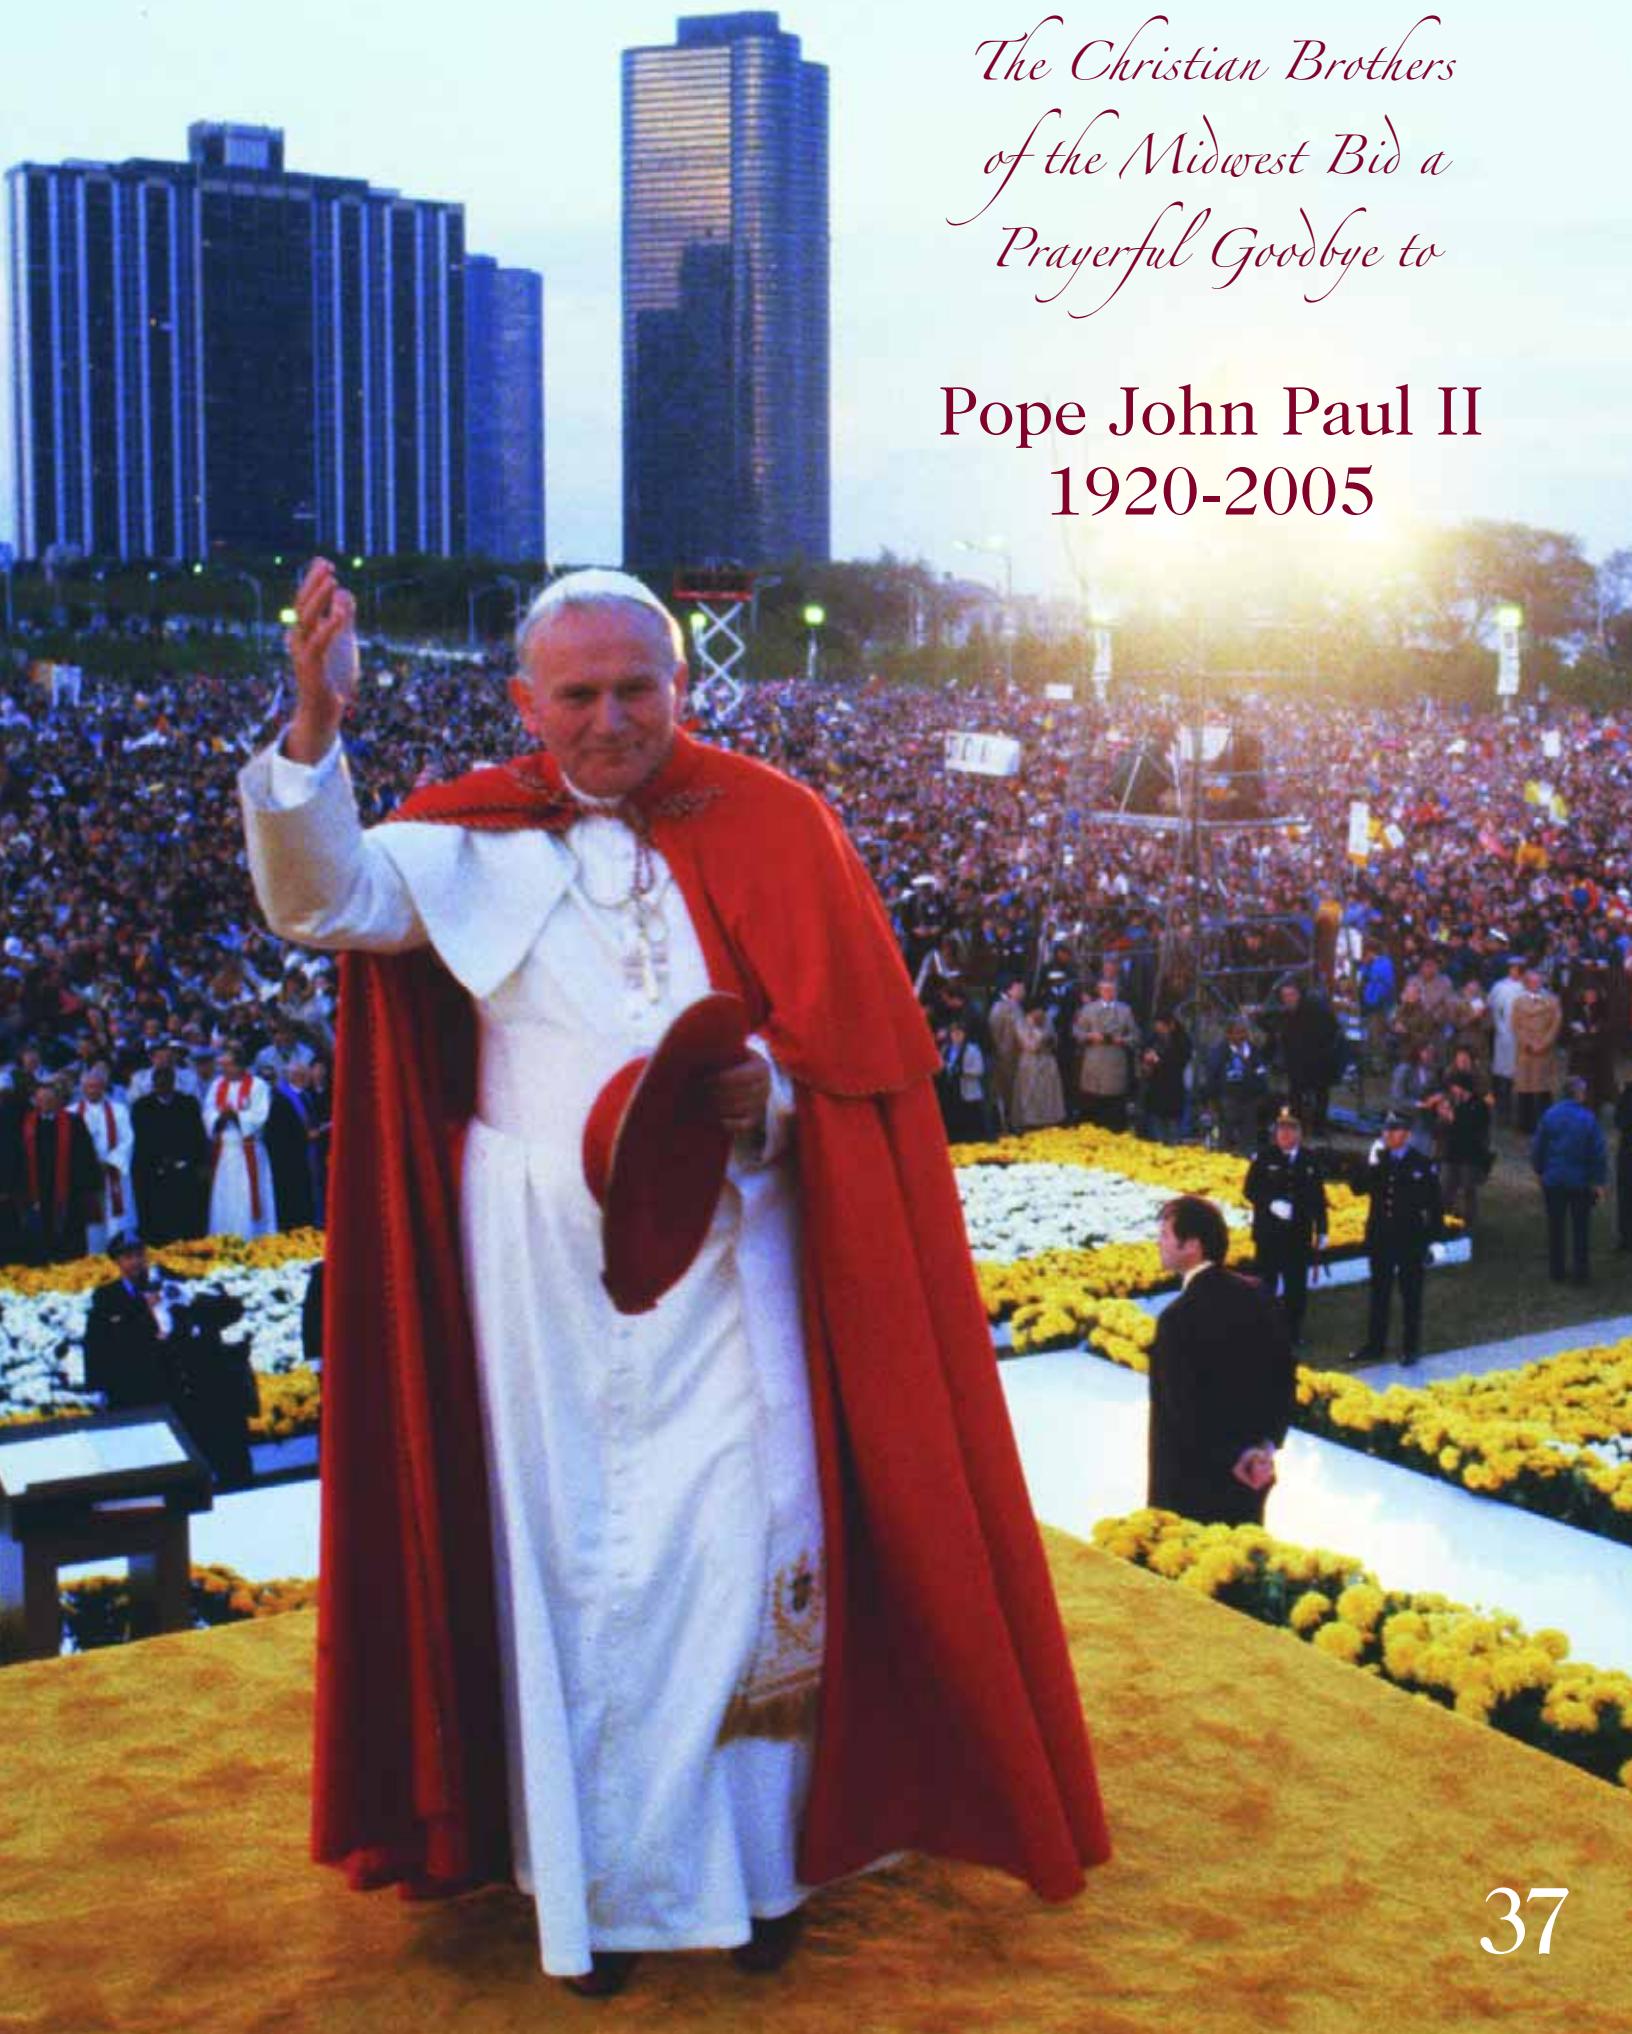

### To Make a Charitable Will Bequest:

- Instruct your attorney to name Christian Brothers of the Midwest Inc as a beneficiary in your Will or a codicil. This is our legal title.
- Notify the Christian Brothers of your intention (unless you wish to remain anonymous) so we can thank you for your gift and enroll you in our Heritage Society.
- For more information or assistance call the Development office of the Christian Brothers in Burr Ridge, Illinois at 630-323-3725.
