

May 3, 1967

Present at church meeting were L. Boyd J. Caughran, F. Sly, O. Harris, B. Hester and Dr. Adams

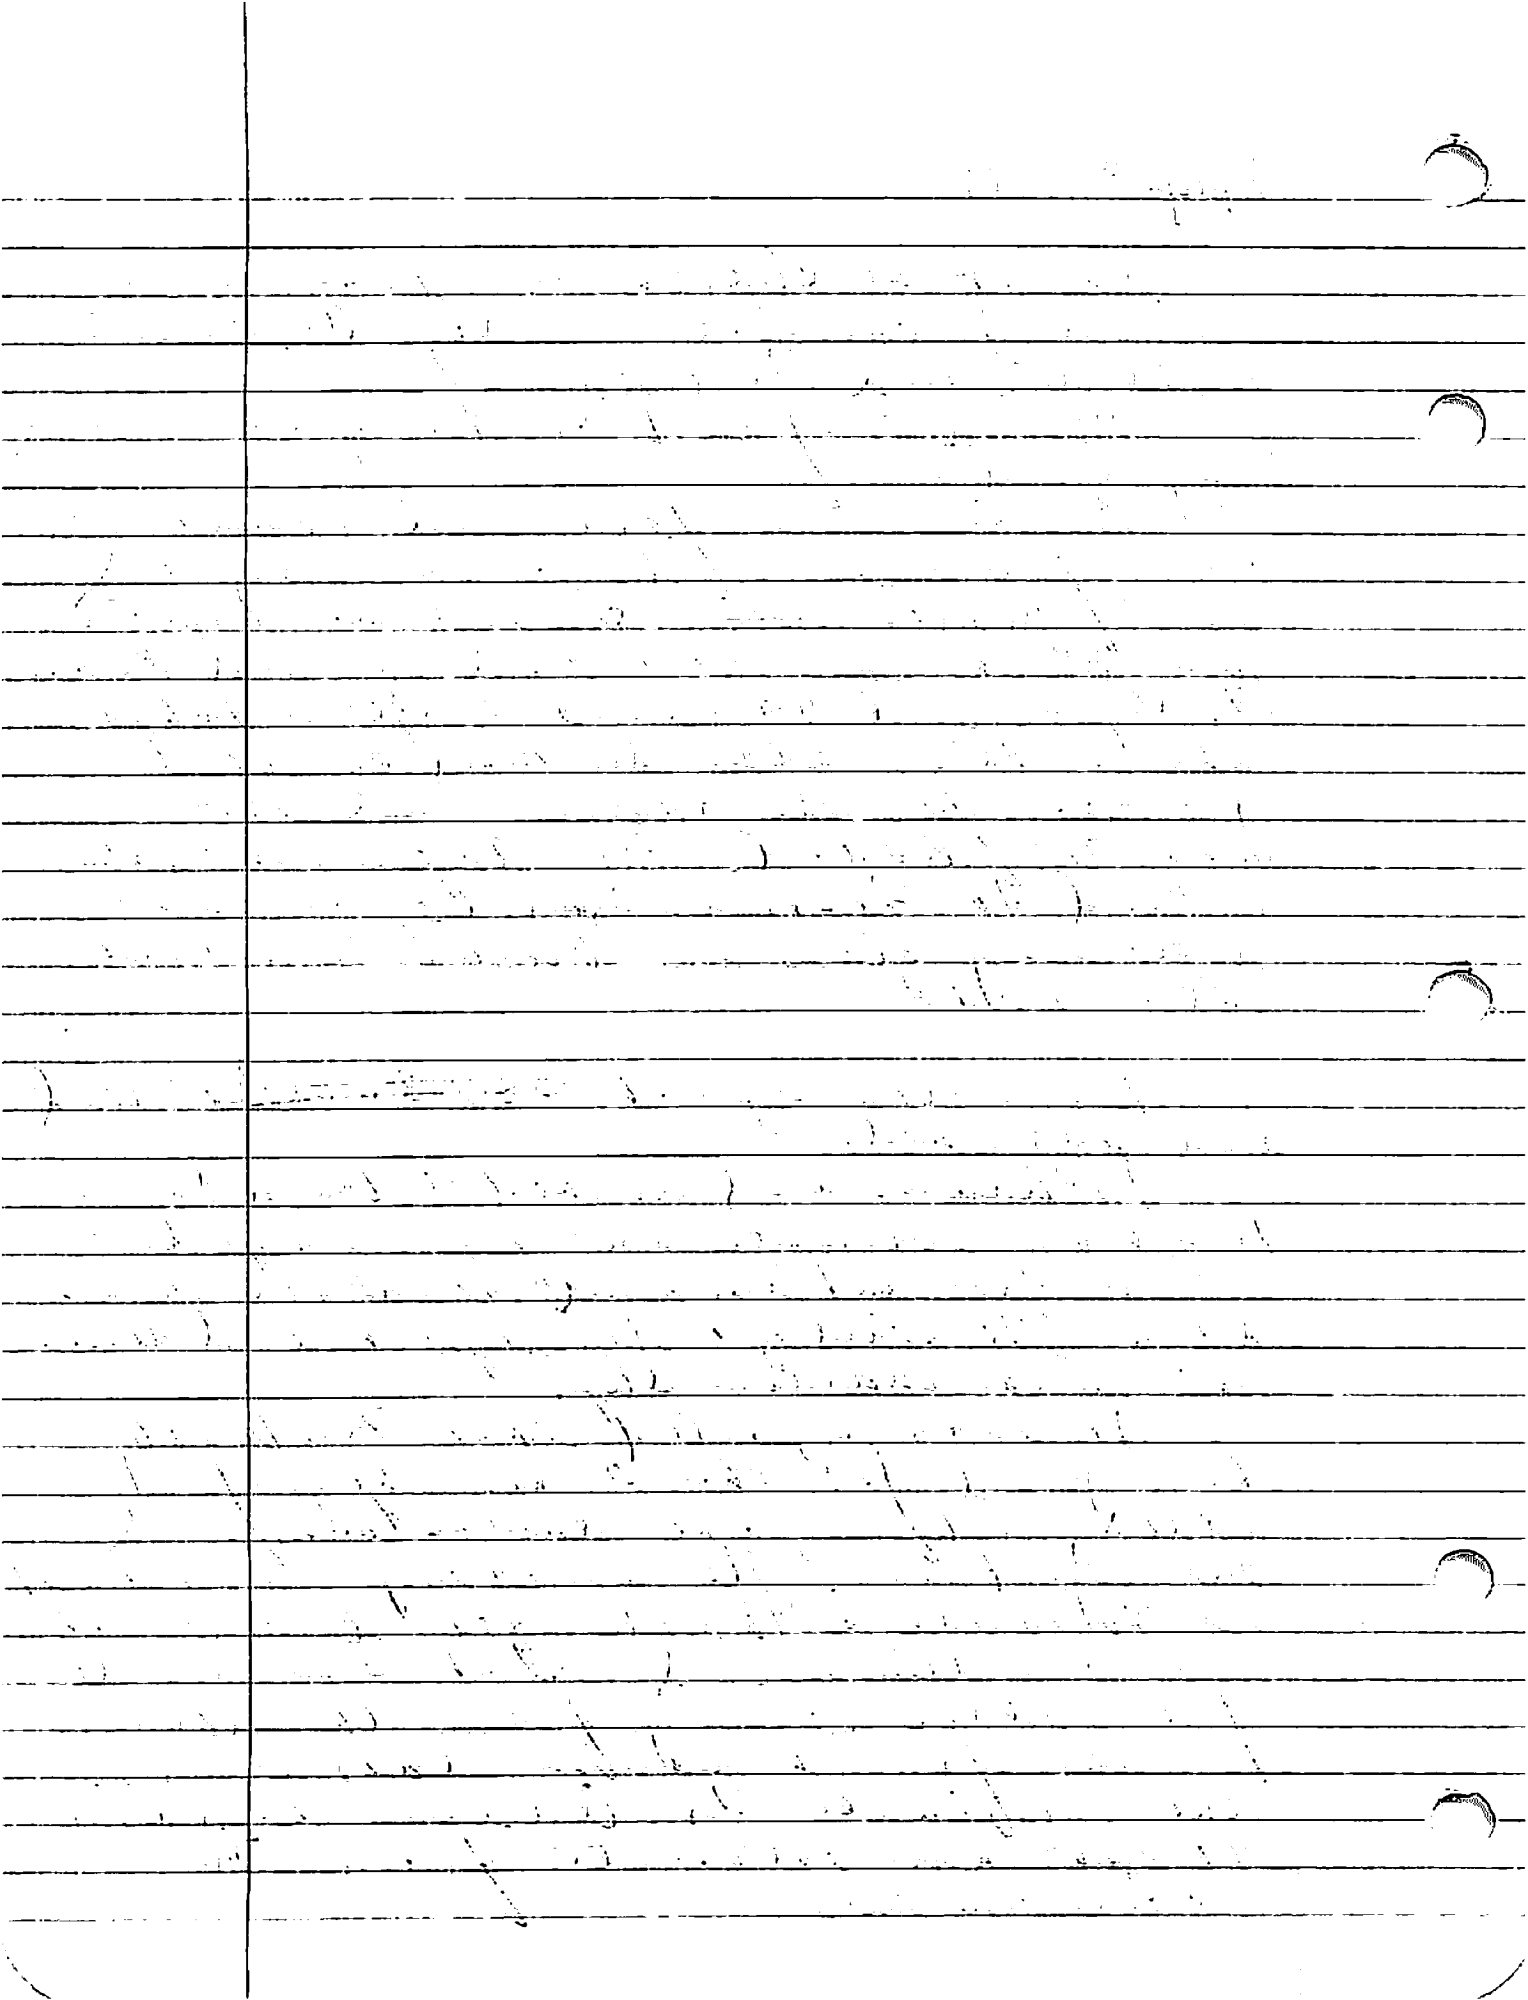

Minutes of last meeting were read & approved.

Discussion followed about the door for the church. It was agreed that plates were should be installed on both the new and the old doors. F. Sly agreed to contact Glen Robson about this. also he will contact a painter for the doors and the Bulletin board. Fr. Adams has also talked to Farmers Lbr. Co about replacing glass in bulletin which blew out.

Treasurer report ~~28732~~ Pte read and approved.

Fr. Adams had talked to Ward Darn to get an estimate on fixing up holes in the foundation and near the back door. He will get his report and discuss this with Warden Sly.

It was reported that Mr. Wilby had paid for the 2 new big fire extinguishers, one down stairs and one upstairs. The secretary is instructed to write a thank you letter. It was also discussed that an inside fire ladder coming from the dormer in the front room down into the vestibule. Fr. Adams is also to get an estimate from Mr. Darn on this.

May 3. (cont).

Fr. Adams read a letter from the Bishop who also sent a check for \$100. To be the start of a Church restoration fund - since the roof is about ready to fall in. Also the foundation is about to give way.

Fr. Adams is to meet on Tues. with a contractor from Minn. now doing work at the college, to find out what has to be done and what it will cost. Then we will discuss how to get the money.

Meeting adjourned.

Respectfully submitted,

Beruly Hunter
for

Cathy Bawa.

The first part of the report discusses the
 background of the project and the objectives
 of the study. It also outlines the methodology
 used for data collection and analysis. The
 results of the study are presented in the
 following sections, which include a detailed
 description of the findings and their
 implications for the field. The report
 concludes with a summary of the key
 points and recommendations for future
 research.

The second part of the report discusses the
 methodology used for data collection and
 analysis. It also outlines the results of
 the study and their implications for the
 field. The report concludes with a
 summary of the key points and
 recommendations for future research.
