

April 2-1978.
Short meeting at 10:00 A.M. in Guild Hall.

Suggestion was made that we sell the present Rectory and buy a different one that would be suitable for the priest & family to live in.

It was planned to look at a house on Monday evening at 6:30.

Eric Johnson was asked to check with Music Dept. at college for an organist to assist during summer months as Gail Hansen may be out of town on some Sundays.

The house we are to look at is a five year old house located on N.E. 5th and Ashwood Road.

A two level, four bedroom house and priced at \$67,500.

It was announced that plate collectors other than envelopes be given to Chapel Train, or enough to bring the total to at least \$10.⁰⁰

Third Sunday for Bishop's Relief Fund motion by Rex seconded by Eric that we give \$5.⁰⁰ for this fund.

There being no other business, meeting adjourned.

Mild Russell
Secy.
